

REPORT OF THE ALTON GARDEN CLUB

The Alton Garden Club celebrated 75 years this past 2008. We have approximately 90 members. The Club began in the year 1933.

Our meetings are held monthly from April through November. Our activities include luncheons, demonstrations, slide-shows. Our fundraiser for this year will be a Pastries & Plants Sale plus a raffle, which will be held in June, to help support our many plantings around Town, and also our newly named Doris Barnes, Alton Garden Club Scholarship Fund.

Our members enjoy keeping Alton looking its best. Our projects for community beautifications include:

Alton Town Hall
Ginny Douglas Park
Shirley Ferry Memorial Park
Railroad Square Park
Gilman Library
Flower Barrel arrangements at various Town sites

Respectfully submitted,
